RE: RFP-2011-11

Dear Mr. Davis:

The City of Fountain Inn has reviewed the proposal your firm submitted for the Construction, Engineering, and Inspection (CE&I) services pertaining to the Depot Streetscape Project. This letter will serve as a notice of intent to award the contract to Davis and Floyd. The City will need to have contractor concurrence from SCDOT prior to any contract negotiations with your firm.

We plan to contact you soon to discuss the next steps.

Sincerely,

Eddie C. Case  
City Administrator
